AMENDMENT B

Assistant Commissioner for Patents
Washington, District of Columbia 20231

Dear Sir:

In response to the Official communication dated September 12, 2002, please amend the abovementioned application as follows:

In the Claims:

Claims 87 and 138 have been amended as follows:

87. (Amended) A method to enable a person to make a copy of at least one part of a physical object including a document and coded data, the coded data indicative of an identity of the document, the method including the steps of:

- providing the person with the physical object;
- receiving, in a computer system, data from a sensing device indicative of an identity of the person and indicative of the identity of the document, the sensing device containing the data indicative of the identity of the person and generating the data indicative of the identity of the document using at least some of the coded data; and
- identifying, in the computer system and from the data indicative of the identity of the person and the identity of the document, a copy request, the copy request being a request for a copy of the at least one part of the physical object.
